Home-School Partnership, Growing with Love

That's a beautiful milestone—congratulations to Ka Fuk Baptist Pre-school on the 50th edition of “Joyful Sprouts”! The name itself carries such warmth and vision. “Sprouts”(young sprouts) evokes the image of children growing with care and love, while “Joyful”(joy) reflects the happiness nurtured in their early years.

As we celebrate the 50th edition of “Joyful Sprouts”, we reflect on the journey of growth and joy that has blossomed within the walls of Ka Fuk Baptist Pre-school. This issue centers on the theme “Nurturing Young Saplings Together,” a reminder that raising children is not a solo endeavor—it is a shared mission between families and schools. We believe that when parents and educators walk hand in hand, guided by love and purpose, we create fertile ground for young minds to flourish. Like tender saplings, our children need sunlight, care, and encouragement to sprout, grow, take root, and thrive. May each child here grow into a mighty tree—strong in character, rich in wisdom, and bearing the fruits of joy and kindness.

We believe that the journey of raising children is a shared responsibility—one that flourishes through the collaboration of parents and teachers. Our roles are equally vital. To strengthen this partnership, we have launched a three-year “Positive Parenting Education Program” to help parents understand the profound impact of character education and support children in developing positive traits from an early age. Character strengths are innate in every child. By recognizing, affirming, and encouraging these qualities, we foster a mindset rooted in positivity. This not only brings children genuine joy and lasting happiness but also lays the foundation for a meaningful and fulfilling life.

We place great emphasis on teaching children the truths of the Bible. We believe that God’s Word is a powerful foundation for building sound character and nurturing wisdom from an early age. As Scripture reminds us, “Train up a child in the way he should go, and when he is old, he will not depart from it.” (Proverbs 22:6). By instilling biblical values, we help children develop qualities that will guide them throughout life. God’s Word is truly a lamp to their feet and a light to their path. It illuminates the way toward healthy, joyful growth and a future filled with purpose.

Starting today, let us unlock joy for our children with hearts full of love. As they journey through life, guided by the care of parents and teachers, they will walk a path set apart—one shaped by compassion, wisdom, and truth. Even in the face of extraordinary challenges, they will stand firm, anchored in God’s Word. With gratitude in their hearts and joy in their spirits, they will grow into resilient, radiant individuals.

Enjoying Chinese Culture Week

During our recent Chinese Culture Week, students immersed themselves in a vibrant celebration of heritage and tradition. From learning about traditional festivals, attire, and trinkets to sampling delicious Chinese delicacies and enjoying fun booth games, every activity brought new insights and appreciation. These experiences deepened our understanding of Chinese culture—and the joy was unmistakable. Come take a look at our exciting highlights!

Booth Games: The booth games are so much fun! We learned about Chinese culture and traditional features through various games!

Food Tasting: The traditional delicacies are delicious! We tried steamed sponge cake, soup dumplings, siu mai, dumplings, Shanghai noodles, and soy milk!

Traditional Games: Traditional games are really fun! We played with spinning tops, played jackstones, shook rattle drums, and the K3 class even painted with ink brushes!

Celebration Party: The celebration event was truly enriching! We shared Mid-Autumn Festival foods, carried lanterns, and held a flag-raising ceremony!

Joyful and Lively at PN

We're the curious explorers, the joyful dancers, the tiny musicians, and the giggling learners! Every day is a new adventure filled with colorful lessons, playful games, and heartwarming friendships. Just look at our smiles—school life has never been so magical!

We had so much fun playing pretend cooking!

We love going to the gross motor room the most. Yeah!

Having heart-to-heart talks with Bear.

The Friendship Train is setting off!

We learn English together through games!

We make a great team, working together to carry the balls!

Look! How interesting it is to collect data about our little hands!

Exploring Young Learners in K1

We've grown, we've blossomed, and now we're ready for even more adventures in learning! Our K1 classroom is a wonderland of discovery—with richer lessons, exciting activity corners, and deeper friendships blooming every day. Whether it's building, painting, singing, or playing, even our youngest learners are eager to explore together. Come take a look at the magic unfolding in K1!

Using the three primary colors, we can really mix a lot of different colors!

We use our little feet to explore different textures!

The rice is so sticky!
It's sticking to our hands~

We shake the cups back and forth—and guess what? It turns into rice balls!

We go to the supermarket to buy corn!

We love creating freely in the art area.

Welcome to Ka Fuk Shoes!
Feel free to take a look around!

We can even design new hairstyles using bottle caps!

We enjoy the Orff music "Wave Dance" while joining the campfire!

Developmental Milestones in K2

We've grown up and stepped into our K2 class—now the proud big brothers and sisters of our school! Every day is a new opportunity to explore, learn, and rise to new challenges. Come along and discover the exciting journey we're on in K2!

We never knew the rainbow parachute could be played with in so many different ways—so much fun!

The colorful paper party was truly exciting!

Folding clothes is no challenge for us!

Besides learning to do our own tasks independently, we also take turns being little class monitors, helping the other children in our K2 class!

Now that we've moved up to K2, our teachers will use reward charts to encourage us to be well-behaved children.

Using scissors isn't easy—remember to be careful and stay safe!

Love learning in

Hello everyone! We're the big brothers and sisters from Class K3! We love learning. During our "I Love China" theme activities, we explored and created with our own hands to discover China's rich culture—like food traditions and beautiful handicrafts. We even researched "siu mai" dumplings, made our own, and tasted different kinds. Come see our learning journey and the results of our hard work!

Music Appreciation

We listened to the Chinese musical piece "Ducks Quarrelling" and pretended to be a group of ducks playing by the river.

Tea Experiment

We put Pu'er tea, Narcissus tea, and jasmine tea into warm water and discovered that the color and fragrance of each tea were different!

Exploration

Chinese paper cutting

blue-and-white porcelain

Making Tanghulu

We learned how to make our own Tanghulu—it's simple and very delicious!

Siu Mai Fans

Making Siu Mai

Eating Siu Mai

Parent-Child Flowerpot Design Competition

To commemorate the 50th issue of "Joyful Sprouts", we proudly hosted a Parent-Child Flowerpot Creation Contest with the theme "Nurturing Young Saplings Together." This reflects the joint efforts of families and educators in fostering children's growth with love and care. Each class voted to select their top three winning flowerpots, chosen by both children and teachers. The winning families have been honored at our December Parent-Child Christmas Celebration, where we'll come together to share joy and appreciation. Now, let's take a look at the beautiful flowerpot creations from each class!

Parents' Voices

K3班馮韋軒、K2班馮奕洵 家長

還記得韋軒在PN時，他還是一棵小小的幼苗，不經不覺已踏入第四年校園生活，現在和弟弟淘淘攜手上學放學，回家後亦會跟我們分享與同學和老師之間的點滴，更時常哼出學校所學的歌曲，這點已深深感受到在校園生活愉快的情景。現在兩位小幼苗慢慢茁壯成長，不時會聽到老師說哥哥是個小幫手，雖然任務簡單，但希望他們能帶着「施比受更為有福」的信念一路前進。在此感謝校長、老師們、姐姐們的愛心、教育和耐心照顧。

K3班 李子聰家長

最後來到K3是幼兒園最後呢年，很捨不得孩子長大得那麼快，捨不得離開幼兒園呢個地方，很慶幸遇到咁好的各位老師們，非常感謝校長。子聰對學校非常有歸屬感，日日嚷着要上學呢！祝大家身體健康，生活愉快！

K2班 關裕霏家長

每天快樂上學，原來霏霏已經K2了！感謝校長和老師們的耐心教導，聽著霏霏每天的分享，看著她笑不攏嘴的樣子，校園生活必定是開心又難忘！

K2班 甘玥澄家長

感恩與幼兒園共同見證玥澄這兩年多的成長蛻變。看到她越來越自信，愛學習及滿滿的好奇心，能長成一棵強壯的小樹苗。我們深感欣慰，我想在此多謝學校、各位家長及同學對玥澄悉心的教導及愛護。祝福您們平安喜樂！

K2班 黃梓康家長

最近小兒在學習上遇到少許困難，校長和老師們都給了不少建議和鼓勵，感謝上帝的恩典和力量，看到小兒一點點的進步，離不開校長和老師們的用心教導與栽培，感恩學校給予的一切美好和幫助。

K2班 黃琬心家長

轉眼間心心已經升讀K2，這一年來多謝校長、主任、老師和姐姐們對她的栽培和關愛，讓我們家長看到她在不斷進步，備感欣慰！代表心心同你們講聲：三生有幸，得您們伴我一程風雪，感謝老師們的悉心教導和培養！在您們溫暖的呵護下我會變得更加自信！！

K2班 文梓希家長

感謝嘉福的老師們！梓希的每分進步都和老師的辛勤工作分不開，小朋友的點滴成長都與老師的諄諄教導相關，感謝你們對梓希的悉心教導。

K2班陳諾謙、K1班陳諾妍 家長

自從諾謙、諾妍上了幼兒園後，學會了很多在生活中以及家庭中學不到的東西，作為爸爸媽媽見證著他們一直努力去學習及適應，每日不斷進步，越來越投入和享受校園生活，真的很感動和欣慰。很感謝校長、主任以及老師們的悉心照顧及耐心的教導，令他們每天在校園過得愉快，亦從中學懂知識及群體生活。

K2班 錢聚心家長

不經不覺聚心今年已K2了，由PN班BB成長為一位小朋友，從中有很多不捨，但見證她成長及融入學校當中，又感到無比喜樂，可能這就是只有媽媽裏的心理不平衡，哈哈！幼兒園是最快樂的時光，學校不單止注重知識的成長，也很鼓勵小朋友的玩樂，這是很喜歡的。有時放學在公園玩耍，校長也會參與當中，很溫馨的場面，內斂的心心也會忍不住找校長呢！有時心心都會形容老師好（攞笑），相信老師都很花心思鼓勵，謝謝老師常常給予耐性與時間去等待心心。在此感謝天父帶領學校、老師、家長及學生，讓我們把愛傳揚開去。

PN班 劉僖研家長

開學初期，媽媽與僖研帶著緊張的心情，擔心如何適應校園生活。幸有校長老師的悉心教導及照料下，僖研每日都期待上學及享受校園生活。我能感受到僖研在校十分開心，感恩僖研適應良好，亦感恩遇到一班友善及耐性的老師。

K2班 歐芷彤家長

我們要感謝老師教導孩子知識，感謝老師對孩子的精心培養，讓孩子認識了許多完美的事情。

K1班 趙愛嘉家長

愛嘉從剛入學時不流利的語言發音，到現在每日都會積極同父母分享幼兒園趣事，點滴成長都離不開校長、老師及姐姐的辛勤教導和照顧！感謝學校！感謝主！

K1班 呂芷盈家長

首先，幼兒園係芷盈成為一個獨立個體嘅起點，喺呢度，芷盈學識換衫著鞋、食飯、去廁所等基本生活技能。仲學識用筆畫各種線、識讀老師安排嘅英文功課、以及講嘢水平大大提高好多好多，成長變化讓我太驚喜。以前喺屋企，總是依賴父母嘅照顧，無法自己獨立完成這些事情，但喺幼兒園，老師教識芷盈如何獨立處理。其次，芷盈喺幼兒園學會與同學交流同合作，一齊玩、學習、互相幫助與分享。這些栽培離唔開老師們嘅細心教導，可以遇到咁好嘅老師，溫柔耐心兼有愛心嘅老師，係芷盈嘅幸運。感恩老師，感謝主！

K1班 黃詩穎、黃詩靜家長

時間過得很快，不知不覺詩穎詩靜已經在校園裡生活了兩個多月，眼見她們一步一步地成長，不斷地進步，她們不時給我們的驚喜，有賴你們對幼兒教育的努力，感謝你們的愛、關懷、忍耐及教導，不斷栽培更多的小幼苗。祝：50週年快樂！

K1班 吳兆傑家長

敬愛的校長、老師，您們好！時間過的好快，小兒兆傑上幼兒園已有兩個月了。清楚記得兆傑剛上學時，每天都會哭鬧，現在開心背起書包話要返學，看到他會自己換鞋、吃飯、穿衣服和寫功課，他的進步都離不開老師們耐心的教導和無私的愛，再次感謝校長、主任、老師及姐姐們對兆傑的照顧，您們辛苦了，謝謝您們！

PN班 彭浩瑜家長

HOWIE 由細到大，一直跟著父母身旁，直至跟父母分離獨自上堂，過程中少不了分離焦慮症或多愁善感，遲遲未能平伏，過程中作為家長束手無策，幸好得到李主任、邱老師及袁老師，耐心解答疑惑，讓我們與Howie一同成長克服難關，成為並肩作戰的好拍檔。

PN班 蔡承佑家長

承佑不知不覺已讀PN班兩個月，成長變化很大令我太驚喜，由初初唔願開口講嘅到依家問咩答咩，由每次都要餵飯到依家獨自食飯等等…都離唔開老師們的悉心教導，能遇到這班有耐心有愛心的老師們是承佑的幸運，感謝主，感謝一切安排。

K1班 蔣承哲家長

感謝黃校長、各位主任和老師，以及姐姐們的悉心照顧。哲哲在嘉福浸信會成長得很愉快，他常常分享學校裡的趣事和兒歌。從學校編印的照片中，看到哲哲在學校的日常生活，很放心地把哲哲交給你們教導。在這裡藉此機會再一次感謝各位的付出和耐性。希望各位生活美滿、身體健康！

PN班 楊焯泓家長

好開心焯泓可以入到嘉福浸信會幼兒園，呢兩個月時間真係改變好多，多謝校長、主任同老師既悉心照顧同教導，起初仲好擔心焯泓可唔可以適應，開頭每天喊住返學校，每日離別都好心痛，直至過咗兩個星期竟然好開心咁同我講袁老師、邱老師、李主任、校長（早晨，再見），咁短時間記得咁多位老師喺學校肯定好開心，我都放心咗好多，宜家接放學仲唔肯離開學校，進展真係好快，有秩序咗好多，返黎屋企仲祈禱，由講到7個字變咗16個字，真係好感恩，辛苦咁多位老師嘅教導。

K1班 鄧簡晞家長

看著簡晞放學後與同學們盡興的玩樂，與她回家的路上聽著她分享在校發生的事，身為家長的我也能感受到校方給予的安全感，歸屬感與認同感，支持著我們的孩子長成更有自信的人，從而擁有更好的適應力與內在動力去面對未來種種不同階段的挑戰。知道校方與家長一樣在意與關注孩子們的心理健康，為孩子們注入一生最受用的愛與關懷，這一切的用心以及老師悉心與孩子的對話，都讓我覺得好暖，好感動，謝謝有您們一起豐富孩子的世界。
