## Witnessing the Journey of Growth

The inaugural issue of Ka Fuk's "Edutainment Garden" was officially released in early November this academic year! Through this issue of "Seedlings' Joy," we would like to share the functions and significance of this special publication.

"Edutainment Garden" is a paradise where children learn and play. Ka Fuk is exactly such a paradise, representing how every Ka Fuk child learns and plays at school every day—integrating learning into play and play into learning. We hope that through this publication, we can share with parents the vibrant and diverse campus life of Ka Fuk children, as well as the little details of school life. More importantly, we aim to showcase the fruits of their hard work in learning, allowing parents to experience their children's growth in kindergarten and take pride in their achievements.

#### Functions and Significance of "Edutainment Garden":

1. **School Activities:** Share activities organized by the school, such as festive events and special activities. Parents can learn about their children's participation and performance through photos of these events.
2. **Learning Outcomes:** Display and present children's achievements in various learning areas, such as project activities, outdoor visits, or field trips. Parents can also understand the goals and significance of these activities and appreciate their children's diverse learning experiences.
3. **Home-School Collaboration:** Encourage parents to use this publication to appreciate their children's progress and efforts, thereby gaining a deeper understanding of the school and their children. More importantly, it fosters home-school collaboration, where parents and the school work together to actively participate in their children's learning and growth.
4. **Community Interaction:** Make good use of community resources, establish close ties with the community, and arrange diverse activities for children to broaden their horizons. Together, we care for children's growth.

We hope that every publication produced by the school will bring unforgettable memories to both children and parents. Let us witness the growth of our children together!

# Chinese Culture Fun Fair Day

To promote traditional Chinese culture and allow children to learn and experience the essence of Chinese culture in various ways, the teachers conducted a two-week Chinese cultural learning activity with the children in August. The learning outcomes were showcased during a Chinese Cultural Fun Day. On the day of the event, both children and teachers dressed in traditional Chinese attire. Through activities such as the Great Wall maze, market experience, traditional Chinese snacks, traditional crafts, fun games, and Chinese rhythm music, the children were able to immerse themselves in the rich atmosphere and beauty of traditional Chinese culture.

## Music Corner

We had so much fun trying on costumes and playing rhythm instruments!

## Arts and crafts Workshop

Painting opera masks, making sachets, and crafting dough figures—there were so many exciting activities!

## Game Zone

Archery, pitch-pot, and wooden arrow games—traditional Chinese games are truly unique!

## Tasting Station

The traditional candy and coconut wrap we made ourselves tasted extra delicious!

The dim sum, cured meat, and salted fish were all created by us!

## The Great Wall Adventure

Come along, let me show you the Great Wall maze we built!

# PN Little Footprints of Growth

The children of the PN class are thriving and exploring at Ka Fuk, leaving behind little footprints of their efforts. Each step forward is a precious and unforgettable part of their growth journey. Let's take a look at these cherished moments together!

First Day of School

New School Year, New Goals: Break through ourselves, one step at a time!

We're back at school!

Let me "land" on the roll call wall first!

PN Class has three spaceships – If you can do it, you can board the ship!

The meals and snacks at school are so delicious!

I love playing with toys with my friends the most!

The sensory wall is so much fun!

Different materials have different textures~

Let's do art and crafts together!

Music activities are full of joy – we play instruments and sing along!

There's so much to play with in the gross motor room –see how happy we are!

## Stepping Forward in Growth

Moving up to K1 class, we've taken another big step forward. Every day we happily come to school, engaging in learning more actively than ever before. In class, we bravely take on challenges and enjoy playing games lovingly with our companions. Take a look at our vibrant school life!

Mooncakes are a Mid-Autumn Festival treat!

This is how we write English letters!

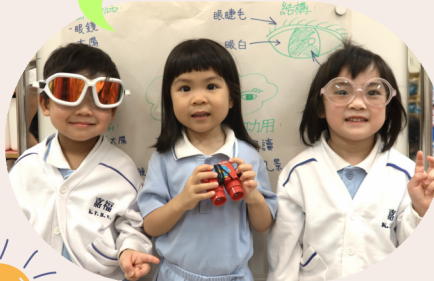

Glasses and telescopes are both related to eyes!

We tried traditional mooncakes!

Birds fly like this!

Does anyone want to buy sunglasses?  
There are many styles!

I also want to take care of my mom like the little monkey!

Watermelons and apples are different!

We pretended to be butterflies fluttering gracefully!

God made me!

We read books in the reading area!

We love learning languages!

Playing cooperative games is so much fun!

# Step by Step, We Grow

20 23 至 20 24  
頒獎禮及結業禮

We have grown up. From taking big strides as little K1 children, we are now learning to become responsible individuals and understanding that we should take care of our own tasks. Let's take a look at our life in K2!

We hand in our own homework and pack our school bags!

We eat with great focus!

We value our food and finish our meals completely!

We neatly put away our own utensils!

After eating, we wipe the tables.

After playing, remember to park the bicycles according to their numbers!

We learn to plan the order of group activities on our own.

After finishing homework, we work together to sweep away eraser shreds.

# Footprints of Growth and Joy

Advancing to the K3 class, we enhance children's creativity and problem-solving skills through comprehensive and balanced learning activities. We also nurture their curiosity and interest in learning, laying a solid foundation for their future education. Together, we are creating wonderful milestones for a smooth "transition from kindergarten to primary school"!

## Develop Good Reading Habits

There's a "Golden House" in Books!

We love reading books together.

Let's Learn to Write Greeting Cards to Express Our Feelings!

We Found Information About Rice in Books!

Wow! We Found China's Capital City, "Beijing".

We Work Together to Explore Light-Transmitting Materials!

## Great Self-Management Skills

# Parent-Child Christmas Ornament Design Competition

We held a Parent-Child Christmas Ornament Design Competition, where we selected the first, second, and third place winners from each of the four classes, along with awards for the Most Creative Design, the Most Eco-Friendly Design, and the Most Festive Christmas Spirit. The awards were presented during the Parent-Child Christmas Celebration in December. Now, let's take a look at the works from each class!

## Parents' Voices

### K1班 吳霽祁家長

暑假時霽祁對戒片還相當抗拒。感謝老師幫她作心理建設，在如廁期間跟她聊天讓她放鬆心情，成功小便又大大讚賞她，因此霽祁升K1不久就順利戒片了！尤記得老師在電話中說：「媽媽在家裏照顧妹妹已很辛苦，我們會在學校多幫霽祁一點！」這實在讓我切切感受到老師對我們一家的愛與關懷。

### K1班 蔡承佑家長

感謝校長同各位老師以及姐姐們的耐心同滿滿的愛意，令承佑不抗拒返學，從返學獨立換鞋會喊住叫媽咪，到現在能夠獨立自己穿鞋洗手等，也能在返課室經門口時：笑哈哈對我揮手講拜拜。還有學校對承佑言語方面的關切，令我也十分暖心。每天進步一點點，積極開心又一天！再次感謝學校對承佑的關愛，願各位心想事成，萬事勝意，身體健康。

### K1班 吳俊霖家長

致溫暖有愛，耐心負責的K1班老師：

非常感謝你們每個月辛勤的付出，讓俊霖慢慢適應幼兒園的生活，離開父母融入群體。孩子小小的舉動和變化每每讓我感到非常驚喜。感激老師不僅教會了孩子生活技能，還傳授了他們正向品格和價值觀。常常在家中能聽到孩子唱幼兒園學到的歌曲，讚自己：「我做得好！」會和我分享在校園裡發生有趣的故事，從他口中感受到了滿滿的快樂。

### K1班 劉俊軒家長

好開心再一次加入這個大家庭，細仔俊軒正式入學了！零時間要放手讓孩子學習獨立，不僅孩子需要適應，媽媽都要陪伴孩子一起適應。真的多謝校長、老師和姐姐們給俊軒的信心及安全感，縱使還未完全適應，但看到俊軒漸漸地與老師彼此建立關係、信任，的確令我感到學校是個有愛的大家庭。在此衷心感謝校長、老師和姐姐們的悉心照顧和教導。

### K1班 陳貝音家長

貝音是個樂天、開朗，而且主動表達自己意願的小朋友！而且有很好的記憶力，經常提醒家人！她比較喜歡吃水果，所以當她想吃的時候，她會跟媽媽說：「媽媽，我想吃蘋果，可以去買幾個蘋果嗎？我喜歡吃！」爸爸曾經說過：「如果家裏開了空調，門窗記得關上啊。」所以每逢家人忘記了關門窗，貝音總是幫我們關上門窗。媽媽答應她買一條公主裙子給她，她也總是提醒媽媽：「媽媽，裙子寄來了嗎？」有了貝音，家裏增添了很多歡聲笑語！期望她上幼兒園後，在老師的教導下，學會更加規矩，繼續進步！

### K3班 陳信知家長

不經不覺來到K3，感謝幼兒園上下對信知的愛和照顧，讓她在幼兒階段學習良好的自理能力和互愛的精神，在學校裡學習基督的愛。願主的愛常常圍繞校園內的每一位！

### K3班 歐芷彤家長

孩子在學校生活、成長，放學會分享每天在學校的事：老師教他們做什麼事、和同學一起玩等，感謝老師和校長的教導。

### K2班 岑欣渝家長

欣渝帶我和姐姐參觀了她的成長遊學園。那天是學校中華文化嘉年華，欣渝穿著中華服飾像導遊一樣介紹了她的學校，還告訴我們裡面所有遊戲和景點都是她的校長、主任、老師和同學設計的，還有家長和畢業生當義工，當日我置身於欣渝成長的地方，感受到她快樂成長的軌跡。

### K3班 梁允呈家長

轉眼間到了K3，意味着還有一年時光在校園生活，每天允呈都開心上學，從沒有害怕上課。感謝校長、老師、姐姐的照顧，都是您們努力的成果！

### K3班 關裕霏家長

芊芊學子，感恩霏霏有幸成為嘉福的一員，每日開心愉快上學去。轉眼之間，霏霏已由PN晉升至K3的小女孩，全靠學校的教職員對阿霏的愛，看着她每天快樂成長，心裡滿是感恩。不久以後，霏霏便要升讀小學了，但在這裡遇見的人和事，必成為她日後的美好回憶。

### K2班 趙愛嘉家長

進入K2的學習已經多個月了，這也是愛嘉在嘉福浸信會幼兒園大家庭的第三年！這是一個充滿學術氛圍和愛的地方。十分感謝校長和各位老師辛勤的付出！

### K2班 馬曦朗家長

感謝嘉福校長，老師及姐姐，令曦朗順利適應K2校園生活，每日放學都會告訴我們在學校的趣事，又比之前喜歡寫字及閱讀，真的感覺大個仔了！希望曦朗繼續有一個愉快的校園生活。

### K3班 陳諾謙、K1班 陳諾妍家長

致校長及老師：

感謝學校安排的各種活動日和戶外學習，通過節日活動及參觀令諾謙和諾妍從中學習及體驗，真的獲益良多！亦欣賞學校課程的編排，諾謙和諾妍在家經常唱詩歌、唸唐詩，感謝校長及各位老師的教導，讓孩子在校園裏愉快地學習。

### K2班 鄧簡希、PN班 鄧簡遙家長

這個學期是我們一家引頸期盼的學期，因為妹妹終於能跟著姐姐一起踏入校園，參與團體生活。從一開始的大哭找媽媽到現在能牽著姐姐的手進學校，再跟媽媽說love u, bye等，這些轉變都是因為學校師長耐心陪著她適應校園作息，給孩子初離開家的安全感，讓她慢慢具備離開照顧者也能信任老師，相信自己能做到的各種心智練習。而姐姐在學校的第3個年頭，也是持續受到各位師長的愛心灌溉，謝謝有您們一起為孩子建構幸福的幼兒生活。主恩常在！

### K3班 甘玥澄、PN班 甘詩嵐家長

今年小女兒詩嵐也加入了嘉福浸信會幼兒園的大家庭。每天和姐姐玥澄一起上學，看見她們慢慢的長大，而且十分喜愛校園生活，心裏滿是感恩。在此感謝校長、各位老師、姐姐們的悉心照顧和耐心教導。
